

Dear JCPenney Alumni Partners,

I have some very sad news to share with you all. Doris Anderson passed away Wednesday February 12, 2025. Doris had a staph infection that impacted her heart and kidneys. Doris has been in Dallas, TX for the past 3 years living with her daughter Dana and family as this past year moved into a memory care facility. This past September Doris celebrated her 95<sup>th</sup> birthday with her new friends that she made in her memory care community and her daughter Dana and family.

Doris was a member of the Mile High Denver RMG.

There is not going to be a bio to share however the Anderson family is planning a memorial service this summer in CO, date and location pending. Doris will be laid to rest with her husband Bob in Ft Morgan, CO. Bob retired from JCPenney May 1, 1988 and passed away November 17, 2007.

Doris met Bob who served in the Navy when he returned from WWII, and Doris was a teacher at Graceland University in Lamoni, IA. Bob grew up in Ray, CO and Doris grew up in Des Moines, IA. Survived by son Kevin, daughter Dana, 4 grandchildren and 7 great grandchildren.

Heartfelt prayers for the family are appreciated and condolences can be sent to the family to the attention of:
