

John S Elliott

January 12, 1945- August 3, 2026

John was born in Minnesota where he grew up and met Judie, the love of his life. They married and had 3 loving children. His employment years were dedicated to JC Penney Co. He was assigned to many locations throughout his career, affording them the opportunity to reside and make friends in a variety of places. In retirement he enjoyed golfing in Arizona and traveling with Judie. As always in life, Judie was by his side as he battled dementia the past couple of years and then passed peacefully trying to battle influenza. He is and will be missed by family and friends.
