

Milton Bradford Schulle ~ May 10th, 1943 – August 6th, 2023

Milt Schulle of Carmel, California was taken from us on August 6th, 2023, after a brave and courageous fight. He was an incredibly special man, who was loved by all who knew him. Milt was full of goodness, kindness, intelligence, virtue, self-discipline, and responsibility. He was a compassionate and loyal friend to many.

Milt was born in Anacortes, Washington. His father was in the Navy and throughout his younger years he lived in many different places, including Japan. One of his favorite places was Santa Clara, California and he often spoke of how he rode his bike with friends all the way to the beach – which was not close! When his father retired from the Navy the family decided to make Oak Harbor, Washington their home, where Milt made lifelong friends and met his future wife, Jamesa.

He graduated from high school in 1961 and from the University of Washington in 1965. While still in college, Milt started work at JCPenney and decided it was the place for him. He loved the interaction with people and the excitement of having a successful sales outcome. He enjoyed every moment of his 41-year career, especially when he became President of Stinu Corporation (Units) a subsidiary of JCPenney in Garland, Texas from 1988-1993.

His wife of 61 years was his high school sweetheart and they have never been apart since. They had a wonderful life, with two beautiful daughters and one beautiful granddaughter. They traveled and lived in many places but fell in love with and always kept coming back to Carmel, California where they retired in 2004.

Milt quickly made friends while playing golf and walking the beach and his neighborhood in the mornings and soon knew everyone. He enjoyed every moment. His favorite saying was:

Yesterday is history
Tomorrow is a mystery
Today is a gift
That is why it is called 'the present'

And he lived his life every day this way.

He is survived by his wife Jamesa, daughters Kristen Beth Schulle-Griffin and son in law Ramon Griffin of Hendersonville, Tennessee and Joanne Kathleen Schulle of Seattle, Washington, sisters Lynn Schulle of Oak Harbor, Washington and Kay Schulle of Purchase, New York, half-brother Bryan Schulle of Oak Harbor, Washington, and granddaughter Ashley Celsa Griffin of Hendersonville, Tennessee
